Aging Safely BATHS

THE AI AGENTS TIER

Bath remodeling robots designed to find you more customers.

When you buy more than 5 units a month, our team starts custom-coding AI agents for your business. They work the night shift so you get time back for the business and your family.

Agents we build

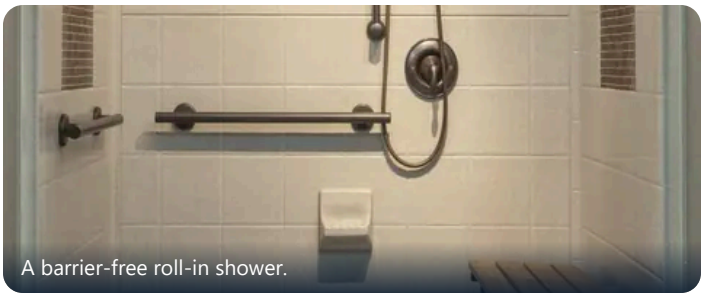

- **Lead reply:** answers every new lead in seconds, day or night
- **Booking:** offers your open slots and books calls and measures
- **Follow-up:** keeps quotes from going cold
- **Reviews:** asks for a Google review at the right time
- **Local ranking:** drafts profile posts and local pages for residential and commercial bath remodeling searches, for your approval

How we run them

- **Learn:** the agent watches and suggests
- **Assist:** it drafts, you approve
- **Autopilot:** it acts on its own, inside rules you set
- Every agent is set up with you, and you can see what it did in your dashboard
- What is built depends on your market and your tools; timing is set on your kickoff call

Who qualifies

Dealers in good standing buying 6 or more units a month (Silver and up). Gold adds a custom dashboard that can run the whole business: leads, jobs, reviews and agents in one place.

Dealers are independently owned businesses and set their own retail prices. Marketing perks are loyalty rewards for active dealers in good standing, provided at our discretion under a written dealer agreement; they are not a promise of leads, sales or income. Tiers are reviewed monthly on units bought. No bathing product eliminates the risk of falls.
